

RICKO'S FINAL LAP

Farewell to a Legend

All speedway riders deserve the utmost respect from us mere supporters for risking their life and limbs each time they take to the circuit to entertain us. Occasionally, just very occasionally, a rider emerges from the pack and goes on to achieve what can best be described a "legendary" status. One such rider is Sweden's six time World Champion TONY RICKARDSSON and this special production not only brings you all the action from his Farewell Meeting in the UK but highlights from what was truly a wonderful career.
